

### **a textual analysis of pdf**

Textual criticism is a branch of textual scholarship, philology, and literary criticism that is concerned with the identification of textual variants in either manuscripts or printed books. Scribes can make alterations when copying manuscripts by hand. Given a manuscript copy, several or many copies, but not the original document, the textual critic might seek to reconstruct the original text ...

Captioning an image involves generating a human readable textual description given an image, such as a  
photograph. It is an easy problem for a human, but very challenging for a machine as it involves both  
understanding the content of an image and how to translate this understanding into natural language.
