B. This perspective stresses the broader social contexts in which people live by looking at individuals' social location—jobs, income, education, gender, race-ethnicity, and age—and by considering external influences—people's experiences—which are internalized and become part of a person's thinking and motivations.

Chapter One: The Sociological Perspective

"theory" must rely on their own (often unstated) ideas about how the world works in order to decide what to do. It is hard to make good policy if one's basic organizing principles are flawed, just as it is hard to construct good theories without knowing a lot about the real world.

Zoe is the dynamism of life in its truth; it is not biological life (from bios). In Jesus, we know the Father which is aeonios zoe, eternal life (John 17:3), a quality of life before it is a duration of life. Through Jesus, the true logos, all things, including all humanity, were made (Genesis 1:1; John 1:1-3).
