Advanced Level (A-Level) Mathematics is a qualification of further education taken in the United Kingdom and occasionally in other countries as well. In the UK A-Level exams are traditionally taken by 17-18 year-olds after a two-year course at a sixth form or college. Advanced Level Further Mathematics is often taken by students who wish to study a mathematics based degree at university.

The Sri Lankan Advanced Level (A-level), is a General Certificate of Education (GCE) qualification exam in Sri Lanka, similar to the British Advanced Level, conducted annually by the Department of Examinations of the Ministry of Education. It is usually taken by students during the optional final two years of collegiate level (grade 12 and 13 or external (non-school) candidates), after they ...
