We offer some of our documents in Portable Document Format (PDF). PDF files are printer independent using any printer. To read and print a PDF publication, you must have the Adobe Acrobat Reader software installed on your PC.

### **Interest Groups in American Politics**

The modern American political spectrum and the usage of the terms "left" "right politics", "liberalism", and "conservatism" in the United States differs from that of the rest of the world. According to American historian Arthur Schlesinger, Jr. (writing in 1956), "Liberalism in the American usage has little in common with the word as used in the politics of any European country, save possibly ...

The American University was established in the District of Columbia by an Act of Congress on December 5, 1892, primarily due to the efforts of Methodist bishop John Fletcher Hurst, who aimed to create an institution that could train future public servants. Hurst also chose the site of the university, which at the time was the rural periphery of the District.

The United States is a federal republic. The federal government of the United States is set up by the

Constitution. There are three branches. They are the executive branch, the legislative branch, and the judicial branch. State governments and the federal government work in very similar ways. Each state has its own executive, legislative, and judicial branches.
