The history of feminism comprises the narratives (chronological or thematic) of the movements and ideologies which have aimed at equal rights for women. While feminists around the world have differed in causes, goals, and intentions depending on time, culture, and country, most Western feminist historians assert that all movements that work to obtain women's rights should be considered [by whom ...

The cultural assimilation of Native Americans was an assimilation effort by the United States to transform Native American culture to European-American culture between the years of 1790 and 1920. George Washington and Henry Knox were first to propose, in an American context, the cultural transformation of Native Americans. They formulated a policy to encourage the civilizing process.
