### **awkward silences and how pdf**

How to Avoid Being Socially Awkward. Social awkwardness comes from a sense of not appearing "normal" or "socially clued in" under the gaze of others. Generated by our own fears and worries of what others think of us and by social expectations, social awkwardness can prevent us from fully interacting with others out...

Silence is the absence of ambient audible sound, the emission of sounds of such low intensity that they do not draw attention to themselves, or the state of having ceased to produce sounds; this latter sense can be extended to apply to the cessation or absence of any form of communication, whether through speech or other medium.. Sometimes speakers fall silent when they hesitate in searching ...
