

### **baby boomers health diet pdf**

Health and exercise fads, New Age spirituality such as Scientology, discos and hot tub parties, self-help programs such as EST (Erhard Seminars Training), and the growth of the self-help book industry became identified with the baby boomers during 1970s. Human potential, emotional honesty, "finding yourself", and new therapies became hallmarks of the culture.

I was contacted yesterday, by Justin, who mentioned the importance of water on cheat day. Water is a very important factor all week long, for fat loss, concentration and focus, and general health - but it can be a challenging thing to remember, because it's not as obvious as a workout, or a food change. Grab this cheat sheet, and always get your 8-10 glasses per day!
