Music and Your Child - Music Together | Music Together

Music can be found in every culture all around the world. Music has become such a big part of our lives, that researchers can't help but want to study how music affects people, especially children. Many parents, teachers, scholars, and businesses are interested in learning more about the influence of music on the development of children.

The Influence of Music on the Development of Children

Three months and several hundred dollars later, every practice session is an argument and the child says they "hate" previously adored instrument. They want to quit. I'm a music teacher, and I've been in this situation with my own kid. I have a master's degree in music performance on viola, and I also play violin.

When to Let Your Child Quit a Musical Instrument

Could A Music Playground Be Your Child's First Instrument? July 4, 2018 - Written by Jeff Link - filed under Design Ideas , Living & Learning , Playgrounds , What's New . When children learn to talk, they start by making sounds, then imitating those they hear.

Could A Music Playground Be Your Child's First Instrument

Whether they do become musicians or simply appreciators of music, the benefits of a childhood experience of making music will stick with them throughout their lives. When Your Child's Music ...

When Your Child's Music Lessons Become 'Torture'

Children who learn piano are typically able to transfer their musical knowledge to other band and orchestra instruments later on. If it's hard for your child to press the keys on a piano, it's fine to start on an electric keyboard and switch to piano after your child's hands have grown stronger.
