Pre-war development of Soviet mechanised forces. In Soviet Russia, the term armored forces (thus called Bronevyye sily) preceded the mechanised corps.They consisted of the autonomous armored units (avtobroneotryady) made of armored vehicles and armored trains.The country did not have its own tanks during the Civil War of 1918–1920.. In January 1918, the Russian Red Army established the ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you’re citing.

The semicolon or semi colon (;) is a punctuation mark that separates major sentence elements. A semicolon can be used between two closely related independent clauses, provided they are not already joined by a coordinating conjunction. Semicolons can also be used in place of commas to separate items in a list, particularly when the elements of that list contain commas.
