this book will improve your drawings more than copying the drawings used to demonstrate these points. The best way to use this book is to find a good piece of photo reference, or better yet get into a life drawing class and apply what you have learned in this book to the problem in front of you.

### **Figure Drawing Fundamentals - Biography**

comes across when first tackling a 'generic' head drawing and, subsequently, an actual portrait or likeness. Some subjects of particular importance, e.g. drawing hands, portraits of children and elderly people, the full figure portrait, and heads with unusual features have to be dealt with in more detail and are covered in more advanced books.
