Six months ago I posted my thoughts on the popular language learning sites Livemocha, Busuu, LingQ and Hello-Hello. Now I would like to review four other language learning websites that I have used recently. The previous four sites were "communities" where not only can you use their flashcards and exercises, you create a profile and interact with other languages learners on the site via ...

Introduction by Graham Davies. A "concordance", according to the Collins Cobuild English Language Dictionary (1987), is "An alphabetical list of the words in a book or a set of books which also says where each word can be found and often how it is used." I first came across the term "concordance" from one of the lecturers who taught me at university during the early 1960s.
