After I tried to implement the knowledge I was totally disappointed â€” most of the printed books turned out to be completely outdated. You know it is a long process after you write a book, it goes to the publisher, stays in editing for weeks, then the printing office keeps delaying it again and again.

Resumes for jobs in the animation field can be a bit tricky, especially when the real demonstration of your skills and experience can be found in your demo reel and portfolio. You do still need a record of where you've worked and your roles there, though, so it's always good to have a standard resume on hand.
