In commerce, customer experience (CX) is the product of an interaction between an organization and a customer over the duration of their relationship. This interaction is made up of three parts: the customer journey, the brand touchpoints the customer interacts with, and the environments the customer experiences (including digital environment) during their experience.

Co-creative projects originate in partnership with participants rather than based solely on institutional goals. A community group may approach the museum seeking assistance to make a project possible, or the institution may invite outside participants to propose and work with staff on a project of mutual benefit.

The Visitors are a fictional invading alien race from the V franchise. The "Visitors" are reptilian humanoids who disguise themselves to look human but prefer to eat live prey, such as mice. In the 1983 and 1984 miniseries (but not the 1984 TV series) the disguised Visitors can be told apart from humans by a reverberating echo in their voices.
