Details. This may be considered a broad category that contains origami and card modeling. Origami is the process of making a paper model by folding a single paper without using glue or cutting while the variation kirigami does. Card modeling is making scale models from sheets of cardstock on which the parts were printed, usually in full color. These pieces would be cut out, folded, scored and ...

I "s been a hectic week and I haven't got as much done as I wanted (in the way of craft!). I thought I would get these paper gem templates up and then maybe you could make something with them if you fancied? I had lots of really great suggestions as to what to do with them so thanks for the input (see comments section in previous post).

Such a simple paper craft that children can do to make a useful little present AND recycle at the same time. We had so much fun making fancy shaped Bookmarks from Envelope corners, and Shamrock Bookmarks that I had a search on the internet for some other envelope corner bookmarks and only then realised that we had made it all much harder than we needed!
