Curves For The Lone Alpha (2000) About book: While the trope/premise of guy wolf meets human gal and instant love ensues is here, there is enough other stuff happening to make it interesting. Way, way too short for the amount of info the author managed to get in here and as stated in other reviews, be aware that it ends with many, many questions not being answered!

The Lone-Actor Terrorist and the TRAP-18 Lone actor terrorism is considered a major national security threat in both North America and Europe. Although the focus has been on violent Islamic jihadists, and most recently both recruitment and attacks by individuals inspired by ISIS, such threats come from the extremes, regardless of ideology.
