Faun is a German band formed in 1998 who play pagan folk, darkwave and medieval music. The originality of their music style is that they fall back to "old" instruments, and the singing is always the center of attention. The vocals are performed in a variety of languages, including German, Latin, Greek, and Scandinavian languages.

I provide the original scanned version and the filtered, because the filter does some changes (smoothing, sharpening borders) and some portions of the scan get lost sometimes (when they are too small e.g.) - so you can choose your favorite.
