Divorce, also known as dissolution of marriage, is the process of terminating a marriage or marital union. It usually entails the canceling or reorganizing of the legal duties and responsibilities of marriage, thus dissolving the bonds of matrimony between a married couple under the rule of law of the particular country or state. Divorce laws vary considerably around the world, but in most ...

No-fault divorce is a divorce in which the dissolution of a marriage does not require a showing of wrongdoing by either party. Laws providing for no-fault divorce allow a family court to grant a divorce in response to a petition by either party of the marriage without requiring the petitioner to provide evidence that the defendant has committed a breach of the marital contract.
