â€œMindfulness means paying attention in a particular way; On purpose, in the present moment, and nonjudgmentally.â€• A very crisp definition and yet very profound! It is all about being â€˜presentâ€™ unruffled. The basic premise of mindfulness is â€˜absorbing everything tangible and intangibleâ€™ around

you.

Dream catchers in the Minnesota region of the early 1900s were typically about three and one half inches in diameter. They were constructed from a wooden hoop strung with a web of nettle-stalk cord. The cord was dyed red with bloodroot and wild plum inner bark. However, some dream catchers were made with dark red yarn.

Five Steps to Mindfulness By Thich Nhat Hanh . Our true home is not in the past. Our true home is not in the future. Our true home is in the here and the now. Life is available only in the here and the now, and it is our true home. Mindfulness is the energy that helps us recognize the conditions of happiness that are already present in our lives.
