Over the years, I've had many, many queries about how to make hand embroidery patterns. The

question of how to make embroidery patterns isn't usually directed to the drawing or doodling part that's done with a pencil, but rather how to take a sketch, painting, photo, or doodle and transform it into a clean line drawing that can be enlarged or reduced in size, printed, and used as a ...

How to Make Printable Hand Embroidery Patterns

As with my previous ASM poster, I think less text and a more visual overview is more likely to attract interest and start a discussion. ASM meetings usually have posters numbering in the thousands so I think a text-heavy poster can be a lottery for getting people to talk to you.
