

educational administration supervision volume pdf

Academic administration is a branch of university or college employees responsible for the maintenance and supervision of the institution and separate from the faculty or academics, although some personnel may have joint responsibilities. Some type of separate administrative structure exists at almost all academic institutions. Fewer institutions are governed by employees who are also involved ...

The goal of the Horizons program is to stop what is widely known as the summer slide "a term that suggests a playful amusement park attraction but actually describes a grim reality. The phenomenon was studied extensively by Johns Hopkins University researchers Karl Alexander, Doris Entwisle, and Linda Olson (2007), whose longitudinal study tracked Baltimore students from 1st grade through age 22.

Education reform is the name given to the goal of changing public education. Historically, reforms have taken different forms because the motivations of reformers have differed. However, since the 1980s, education reform has been focused on changing the existing system from one focused on inputs to one focused on outputs (i.e., student achievement).
