

elements of hindu iconography pdf

Over the millennia of its development Hinduism has adopted several iconic symbols, forming part of Hindu iconography, that are imbued with spiritual meaning based on either the scriptures or cultural traditions. The exact significance accorded to any of the icons varies with region, period and denomination of the followers.

Hindu iconography - Wikipedia

Yama is the deity of justice in Hinduism. In Hindu Puranic scriptures, those who assist him in his work are Kala (time), Jara (old age), Vyadhi (disease), Krodha (anger) and Asuya (jealousy). He is one of the Lokapāla and represents the south cardinal direction. In different texts, Yama can be referred to as the god of justice, as the deity Dharma, or a completely different figure altogether.
