The What is religion? page of this site gives a very brief outline of postmodernity. This page will provide you with a little bit more detail. Remember, the OCR specification requires that you consider the challenge that postmodernity presented to Christianity and also the ways in which Smart and Cupitt respond to that challenge.

Postmodernism summary - Philosopher Kings

Constructivist epistemology is a branch in philosophy of science maintaining that scientific knowledge is constructed by the scientific community, who seek to measure and construct models of the natural world. Natural science therefore consists of mental constructs that aim to explain sensory experience and measurements.. According to constructivists, the world is independent of human minds ...
