

financial reporting statement analysis pdf

Financial statements (or financial reports) are formal records of the financial activities and position of a business, person, or other entity.. Relevant financial information is presented in a structured manner and in a form which is easy to understand. They typically include four basic financial statements accompanied by a management discussion and analysis:

Program Memoranda (PM) are issued by the California Department of Aging (CDA) in hardcopy and mailed to Area Agencies on Aging (AAA). The availability of electronic (read-only) PMs on the web is offered as a convenience. If there is a discrepancy between the electronic version and the paper version, the mailed paper version of the PM is the controlling document.
