

freedom is not free pdf

Freedom of speech is understood to be fundamental in a democracy. The norms on limiting freedom of expression mean that public debate may not be completely suppressed even in times of emergency. One of the most notable proponents of the link between freedom of speech and democracy is Alexander Meiklejohn. He has argued that the concept of democracy is that of self-government by the people.

Freedom of speech - Wikipedia

Free software or libre software is computer software distributed under terms that allow users to run the software for any purpose as well as to study, change, and distribute it and any adapted versions. Free software is a matter of liberty, not price: users' individually or in cooperation with computer programmers' are free to do what they want with their copies of a free software (including ...
