These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Helping Children Succeed – What Works and Why

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.

Etymology. The origins of the name Mogadishu is thought to be derived from the Persian word Maq'ad-i-Shah (مَقَادِ الشَّاهِ), which means "the seat of the Shah" (a reflection of the city's early Persian influence). It is known locally as Xamar (English: Hamar). Another theory is that it is derived from the Arabic root 'mqds', which means "hallowed (place)".
