In philosophy, rationalism is the epistemological view that "regards reason as the chief source and test of knowledge" or "any view appealing to reason as a source of knowledge or justification". More formally, rationalism is defined as a methodology or a theory "in which the criterion of the truth is not sensory but intellectual and deductive".. In an old controversy, rationalism was opposed ...

A list of alumni of St John's College, Oxford, former students of the college of the University of Oxford. The overwhelming maleness of this list is partially explained by the fact that for over 90% of its history (from its foundation in 1555 until 1979), women were barred from studying at St John's.
