Making paper doll chains June 9, 2006. This one is an old favourite but sometimes it's nice to be reminded of the obvious. Making a chain of paper dolls is a quick and easy craft activity but you may be surprised at how entertaining kids can find it and how a whole afternoon can disappear in this pursuit.

Paper marbling is a method of aqueous surface design, which can produce patterns similar to smooth marble or other kinds of stone. The patterns are the result of color floated on either plain water or a viscous solution known as size, and then carefully transferred to an absorbent surface, such as paper or fabric. Through several centuries, people have applied marbled materials to a variety of ...

Origami (from ori meaning "folding", and kami meaning "paper" (kami changes to gami due to rendaku)) is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished ...
