#### **100 Sample Questions for the PMP Certification Exam**

As a PMP (Project Management Professional) certified project manager, I frequently get asked a question that all PMPs have asked themselves at some point during their careers:

#### **» Is it worth getting PMP certified? » Entangled.com**

I frequently get asked questions about whether or not PMP certification is worth getting. I answer those questions on my post about the pros and cons of PMP certification. I've been a PMP certified project manager for a number of years now, and I have found that having the letters PMP behind my name has afforded me some great career opportunities and enhanced my credibility as a project ...

#### **Pass CompTIA Security+ Exam, CompTIA Security+ Training**

Even if some genius home owner could memorize every single nailing pattern and framing bracket how would that help them build a better home? Will they be going around arguing with the structural engineer on design, or with the professional framer on which type of nails to use, or will the city inspector waive his or her framing concerns because the home owner has passed an exam and knows ...
