Shantaram är Wikipedia

An autobiographical novel is a form of novel using autofiction techniques, or the merging of autobiographical and fictive elements. The literary technique is distinguished from an autobiography or memoir by the stipulation of being fiction. Because an autobiographical novel is partially fiction, the author does not ask the reader to expect the text to fulfill the "autobiographical pact".

My heart pattered with fear when I touched down in Sydney way back in 2008. That was the first day of my yearlong round the world trip. With very little information online about long-term travel back then, I set out to document my trip, but also share all the practical details, too. For nearly a decade, I have used this page to share all the nitty gritty details of planning world travel and ...
