Relationship between Strategic Human Resource Management and Firm

### **Relationship between Strategic Human Resource Management**

In military theory, strategy is "the utilization during both peace and war, of all of the nation's forces, through large scale, long-range planning and development, to ensure security and victory" (Random House Dictionary). The father of Western modern strategic study, Carl von Clausewitz, defined military strategy as "the employment of battles to gain the end of war."

Strategic project management bridges the gap between the lofty ambitions of strategists and staff that do the work. Strategy without projects is just another document collecting dust. Projects without strategic importance quickly lose their appeal. When youâ€™™re disconnected from strategy, the daily ...

Benchmarking improves performance by identifying and applying best demonstrated practices to operations and sales. Managers compare the performance of their products or processes externally with those of competitors and best-in-class companies, and internally with other operations that perform similar activities in their own firms.
